New Ideas

Many children have wonderful ideas. They want to make many different things. Take a look at three clever inventions (המצאות / اختراعات).

Name: Ameliya Liddle

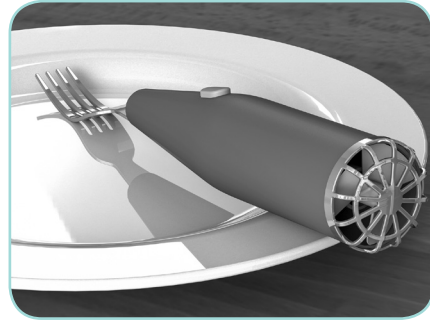

Age: 6

Invention: Food Cooler

This Food Cooler looks like a fork, but it has a fan (מאוורר / مروحة) on it.

The fan makes the food cool.

The Food Cooler is perfect to use when you are hungry, but your food is too hot to eat.

Name: Wendy Ridley

Age: 9

Invention: Family Scooter

With this Family Scooter, it is now easy for people to travel together.

Four people can stand on the Family Scooter and ride together. It's useful when you want to go outside, either to the shops or to the park.

Name: Layla Amir

Age: 11

Invention: Shady Lamp

Many people love reading in bed. When they use a lamp (מנורה / مصباح), the light is too strong. The Shady Lamp is perfect because it has special blinds (תרסיסים / أبلجورات). You turn the blinds until the light is comfortable for you.
